## Belardi Food Trading (BFT)

**BELARDI FOOD TRADING (BFT)** is a private owned company established in the Principality of Monaco.

The company's activity started more than 40 years ago as an agent on behalf of several European meat producer for promoting their sales on the Italian market.

At the end of the 90's the work's philosophy start to change from brokerage to trading.

Today, **BFT** is an international team of food specialists leading operations in more than 10 different languages.

Thanks to its network and connections within the producing countries, **BFT** is able to offer a wide range of options and solutions, quality control and efficient logistics on the challenging world of the food industry.

Starting from the meat industry (our historical core business), **BFT** has developed during the years its know-how on the different areas of the food industry: seafood, vegetables, dairy products and beverages.
