Welcome to Riad El Fenn, a luxury riad in the heart of the Marrakech medina, only five minutes walk from the Koutoubia mosque and the Djemma Al Fna square.

With 21 uniquely-styled suites, 3 swimming pools and its own hammam spa, Riad El Fenn is a boutique hotel of unique quality. Every detail has been carefully considered from the fine linen to the delicious food. The enormous terraces and plentiful comfy nooks make it the ideal place to relax and unwind in North Africa's most exotic city.

Owners Vanessa Branson & Howell James have created a hotel that is really a chic home away from home, with its own organic garden, cinema and library.
